Happy September!

I hope your semester started off well and you're settling into a rhythm of uninterrupted teaching and learning unlike we've experienced in a couple of years. The CETL is in full swing with workshops throughout the month, including the first session in the Advanced Pedagogies Workshop series. Please see information below.

Also the CETL announces a new offering, Partners in Peer Review. Please see below for details.

I look forward to collaborating with you all to support faculty development. Please reach out with questions and feedback.

Best,

Margaret Hagood
Director, CETL
Hagoodm@cofc.edu

CETL 2022-23

YEARLONG WORKSHOP SERIES

- **New Faculty Institute (NFI)**
  CETL NFI: Developing your Research Agenda (with Susan Anderson, ORGA Director and Sara Stephenson, and Dr. Morgan Hughley, co-chair of the Faculty Research and Development committee)
  If you're in your first two years at the College, come to this session to learn about campus resources to assist you in developing your research agenda.

- **Advanced Pedagogies Workshops (APW)**

The first session in this series is "How Can I Engage Generation C?"

Watch the video: Go to [https://www.magnapubs.com/register/](https://www.magnapubs.com/register/).

1. **FOR NEW USERS:** Enter information in the required fields > Submit. NOTE: if you get an error “This email address is already registered” click Log In in the upper left corner and click “Lost your password?”. Follow the prompts to reset the password.

2. **FOR EXISTING USERS:** Click “Login” in the upper left corner and enter your email address and password > Login. If you need to reset your password, be sure to add noreply@magnapubs.com to your address book to avoid the email going into a junk or spam email folder. The password reset email will have a subject line of “MagnaPassword Assistance”

3. Go to [https://www.magnapubs.com/profile/join-sitelicense/19a84cb162688e0a45f647169355ae3f](https://www.magnapubs.com/profile/join-sitelicense/19a84cb162688e0a45f647169355ae3f)

4. Once logged in, you will see a screen indicating you have been invited to join a group. Click the “Join Team” button.
5. You will then be taken to the “My Account” screen. Click “Go to Magna Online Courses”

6. On the content dashboard click the blue box next to the program title to begin or continue the program

Join the workshop: **Addlestone 227 Sept. 14 from 3:00-4:00 to discuss how to connect to CofC Gen C students.**

**REI INITIATIVE**

The REI curriculum proposal was submitted to the Commission for Higher Education on July 22. We hope to have the green light from them shortly.

Director Simon Lewis has been working with a wide variety of interested parties to ensure that everything is in place for smooth implementation of the new degree requirement next fall.

Dr. Lewis has convened an REI Advisory Committee including: Anthony Greene (AAST), Sam Flores (LCWA); Hsin-Ching Wu (SotA); Julia McReynolds-Perez (HSS); Anthony James (SOE); Christy Kollath-Cottano (SHS); Sofia Agrest (SSM); Jennifer Cavalli (Honors); and Amanda Kraft (Library).

All faculty are invited to join a Teams site where we can share ideas and resources. E-mail lewiss@cofc.edu to be added to the Team.

A typical semester will include two panel sessions on pedagogical issues pertaining to REI, and a course (re)design workshop (usually held concurrently with the Writers Retreat. In addition, we will typically hold a 2-3-day training workshop during Spring Break.

Dates for these events, along with links to pedagogical and other resources can be found on the **REI webpage**.

**PARTNERS IN PEER REVIEW**

The CETL will offer faculty an opportunity for faculty peer review of teaching. The CETL will train a senior faculty member (tenured faculty member or senior instructor) from each school to provide faculty with an opportunity to request a research-based peer review of instruction. This review process is focused on individual faculty growth to inspire teaching and to benefit students. Peer review and feedback are private. Faculty members will individually choose how to use the peer evaluation to support their teaching and learning progress.

Peer Review Partners (PRP) will be trained using the CETL instructional observation tool in a 1 ½ hour workshop in late September. PRP will be expected to complete 4 peer reviews a year. PRP will be paid $500 at the end of the academic year for their work, provided they participated in the training and completed at least 4 peer observations, including the post-observation meeting with the faculty member.

Faculty interested in becoming a Peer Review Partner should have a record of excellent teaching with interest in pedagogies and mentorship. Faculty can self nominate through an email to their department chair. Deans will make their PRP recommendation to the CETL by Sept. 6.

Beginning in October, faculty can request the CETL peer review from their own school or from another school.
**SEPTEMBER EVENTS**

**Tues., Sept. 6 3:15-4:30 Addlestone 360**
REI Initiative information session
